

St Vrain Valley School District Farm to School

How are We Growing?

Farm to School History

2009

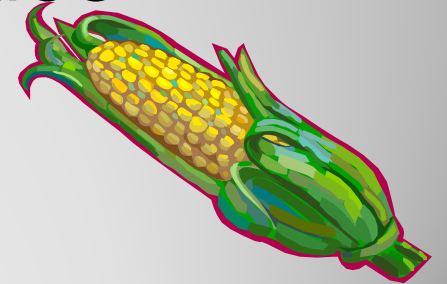

- Used local farmer for peppers, zucchini, cabbage, and cucumbers. Purchased \$3200 for summer feeding program

Farm to School History

2010

- Used Fossil Farms, Grant Farms, and Full Circle Farms purchasing tomatoes, melons, cucumbers, peppers, and squash.
- Purchased over \$40, 000 in produce directly from local farms.

Advantages

- Support local economy
- Produce picked fresh on delivery day to schools
- Partnerships with community farms
- Supports educational gardens that students grow at their schools
